

**Accountability. Integrity. Responsiveness  
Justice. Good Governance**

### Public Protector Mandate

The Public Protector has the power regulated by national legislation, to investigate any conduct in state affairs, or in public administration in any sphere of government that is alleged or suspected to be improper or to result in any impropriety or prejudice, to report on that conduct and to take appropriate remedial action. The Public Protector has additional powers and functions prescribed by national legislation. Public Protector may note investigate court decisions. The Public Protector must be accessible to all persons and communities. Any report issued by the Public Protector must be open to the public unless exceptional circumstances, to be determined in terms of national legislation, require that report be kept confidential
