- 16.4 The CSD and tax compliance status PIN are the approved methods to be used to prove tax compliance as the South African Revenue Services (SARS) no longer issues Tax Clearance Certificates but has made provision online, via e-Filing, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.
- 16.5 Accounting Officers are therefore required to accept printed or copies of Tax Clearance Certificates submitted by bidders and verify their authenticity on e-Filing. The verification result will be filed for audit purposes.
- 16.6 Where a bidder does not submit a tax compliance status PIN but provides a Central Supplier Database (CSD) number, the accounting officer and accounting authority must utilise the CSD number via its website www.csd.gov.za to access the supplier records and to verify the bidder's tax compliance status. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit a consolidated B-BBEE scorecard in-line with the provisions of the PPPFA Regulations which will be considered as part of the B-BBEE scoring.
