- 11.5 The successful bidder accepts full responsibility for the proper execution and fulfilment of all obligations and conditions devolving on him/her under the supply agreement and SLA to be concluded with PPSA, as the principal(s) liable for the due fulfilment of such contract.
- 11.6 The bidder accepts that all costs incurred in the preparation, presentation and demonstration of the solution offered by it shall be for the account of the bidder. - 12.2.1 Bidders must complete the attached the General Terms and Conditions of the contract.

13. Price basis

- 13.1 Bidders shall take into account that PPSA's total requirements will be allocated to one bidder.
- 13.2 Bidders shall quote prices in South African Rand and Value Added Tax shall be included:

- 13.2.1 For PPSA to be in a position to facilitate the evaluation of bids and the administration of the contract it is required that bidders must provide all inclusive pricing.
- 13.3 Bidders shall quote on the basis indicated in the Pricing Schedule.
- 13.4 Prices tendered for must be inclusive of all required deliverables as per specification.
- 13.5 PPSA requires an all-inclusive and fully transparent cost structure.
- 13.6 Where figures are referred to in numerals and in words and there is a conflict between the two, the words will prevail.
- 13.7 The successful bidder shall commit to the programme of continuous improvement, which will result in cost-efficiencies during the duration of the contract.
- 13.8 Bidders must warrant to PPSA and indicate that the pricing quoted is free of any errors or omissions and that the Bidder is able to deliver the contract on the prices quoted.

14. Payment terms

- 14.1 The standard 30 day payment period will apply on the payment of all invoices from receipt of valid invoice.

15. Tax clearance certificate

- 15.1 Government is committed to reducing supply chain related fraud and ensuring that persons conducting business with the State are not afforded any scope to abuse the supply chain management system.
- 15.2 It is therefore essential to ensure that persons conducting business with the State are tax compliant when participating in tenders or other bidding processes. On 18 April 2016, the South African Revenue Service (SARS) introduced an enhanced TCS system aimed at improving compliance and making it easier for taxpayers to manage their tax affairs.
- 15.3 Implementation of the tax compliance status system:

15.3.1 In order to comply with the new TCS system and the condition of bids that a successful bidder's tax matters must be in order, Accounting Officers and accounting authorities of all PFMA complaint institutions must:

- 15.3.1.1 Designated officials, preferably from Supply Chain Management Unit, whose function will be to verify the tax compliance status of a bidder on the South African Revenue Services' Tax compliance status system housed on eFiling.
- 15.3.1.2 Utilise the SBD1 issued by National Treasury when inviting bids,

- 15.3.1.3 As a bid condition, accounting officer or accounting authorities must request bidders to register on Government's Central Supplier Database and to include in their bid their Master Registration Number (Supplier Number) in order to enable the institution to verify the supplier's tax status on the Central Supplier Database.
- 15.4 The CSD and tax compliance status PIN are the approved methods to be used to prove tax compliance as the South African Revenue Services (SARS) no longer issues Tax Clearance Certificates but has made provision online, via e-Filing, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.
- 15.5 Accounting Officers are therefore required to accept printed or copies of Tax Clearance Certificates submitted by bidders and verify their authenticity on e-Filing. The verification result will be filed for audit purposes.
- 15.6 Where a bidder does not submit a tax compliance status PIN but provides a Central Supplier Database (CSD) number, the accounting officer and accounting authority must utilise the CSD number via its website www.csd.gov.za to access the supplier records and to verify the bidder's tax compliance status. A printed screen view at the time of verification should then be attached to the supplier's records for audit purposes.

16. Counter Conditions

- 16.1 Bidder's attention is drawn to the fact that amendments to any of this condition of bid by bidders may result in the invalidation of the bids.

17. Fronting

- 17.1 The PPSA support the Broad Black Based Economic Empowerment and recognises that the real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Based on the above (PPSA) condemns any form of fronting.
- 17.2 The PPSA, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry /investigation, the onus will be on the bidder / contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid/contract and may also result in the restriction of the bidder /contractor to conduct business

with the public sector for a period not exceeding ten years. The matter may be reported to the National Prosecuting Authority (NPA) for criminal investigation and charges in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

18. Promotion of Emerging Black owned bidders

18.1 It is the PPSA's objective to promote transformation across all industries and/ or sectors of the South African economy and as such, bidders are encouraged to partner with a black owned entity (being 50%+1 black owned and controlled). Such partnership may include the formation of a Joint Venture and/ or subcontracting agreement etc., where a portion of the work under this tender would be undertaken by black owned entities. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit a consolidated B-BBEE scorecard in-line with the provisions of the PPPFA Regulations which will be considered as part of the B-BBEE scoring.

19. Supplier Performance Management

19.1 Supplier Performance Management is viewed by the PPSA as a critical component in ensuring value for money acquisition and good supplier relations between the PPSA and all its suppliers.

19.2 The successful bidder shall upon receipt of written notification of an award, be required to conclude a Service Level Agreement (SLA) with the PPSA, which will form an integral part of the supply agreement. The SLA will serve as a tool to measure, monitor and assess the supplier's performance and ensure effective delivery of service, quality and value-add to PPSA's business.

19.3 Successful bidders will be required to comply with the above-mentioned conditions, and also provide a scorecard on how their product / service offering is being measured to achieve the objectives of these conditions.

24.2 It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by PPSA against the bidder notwithstanding the conclusion of the Service Level Agreement between PPSA and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

25. Preparation costs

25.1 The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process.
