

**Accountability. Integrity. Responsiveness  
Justice. Good Governance**

### **Public Protector Mandate**

The Public Protector has the power regulated by national legislation, to investigate any conduct in state affairs, or in public administration in any sphere of government that is alleged or suspected of being improper or to result in any impropriety or prejudice, to report on that conduct and to take appropriate remedial action. The Public Protector has additional powers and functions prescribed by national legislation. Public Protector may note investigatocourt decisions. The Public Protector must be accessible to all people and communities. Any report issued by the Public Protector must be open to the public unless with exceptional circumstances, to be determined in terms of national legislation, require that report be kept confidential
